Situated in Devon's rural heartland between Exmoor and Dartmoor, South Coombe is the perfect holiday retreat giving visitors easy access to Devon's moorlands, beaches and attractions.

You will be welcomed with a Devon cream tea on arrival. An indoor heated swimming pool, sauna, toddlers tumble room and games room also add to your relaxing holiday.

South Coombe, with its beautiful 17th century thatched farmhouse, is surrounded by 15 acres of orchards, lawns and meadows, including a meadow for ball games and two new outdoor play areas with swings and slides.

We have substantially upgraded South Coombe in early 2019, adding new luxury disabled-friendly bathrooms, hot tubs, high spec new kitchens with NEFF appliances and granite work surfaces and also the Merino shepherd's hut. We've also added a new purpose-built 'pet's corner' where children love to handle our small furry animals!

Organic bread, pastries and free-range eggs can be ordered by guests for morning delivery. We also now have a shop on site, selling yummy locally sourced food and ice cream.

The pretty village of Witheridge is just a mile away and has a village store/post office, newsagent and pub serving an extensive range of home-cooked food and local real ales.
