**Set in beautiful countryside and just 20 minutes from the breathtaking Pembrokeshire coast, Scolton Country Cottages is the perfect holiday location.**

The cottages – steeped in history and character – were originally farm buildings and surround a large, traditional courtyard. They've been lovingly converted to retain original characteristics and provide comfortable and well-equipped accommodation.

We have an on-site spa, indoor swimming pool, sauna and steam room ... plus the pool house patio is the perfect place to enjoy a barbecue and watch the sunset.

The childrens' play area overlooks the stables, where our pony and goat live, while a large fenced pond is a home to ducks and moorhens.

Each cottage has a picnic table and there's a large communal utility

room with laundry facilities and tourist information. Cots, highchairs, stair gates and bed guards are also available.

Scolton Country Spa offers a range of treatments – from manicures and pedicures to facials and massages – and includes a cedar hot tub, spa garden, relaxation lounge and salt cabin. Cottage guests using the spa can also relax in the cedar hot tub and spa garden ... as well as enjoy a bite to eat and a drink in the Cowshed Kitchen and Bar.

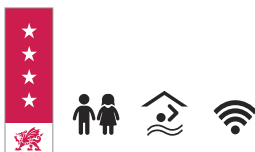

Our guests also have direct access to the Scolton Country Park 'next door'. Here, you'll find a choice of woodland walks and a wealth of wildlife, plus an adventure playground, tea rooms, gift shop and the historic Scolton Manor – a Victorian country house, which is now a museum.
