Experience that forgotten lifestyle in our private valley.

The courtyard of barns
The Bullpen, Granary and Great Barn sleep 2-16, book the courtyard for the perfect multigenerational break, or choose which barn suits your individual needs, each with the same level of comfort and sophisticated

country style. The barns have been restored by skilled local craftsmen, featuring lime mortared stone walls, spiral stone stairs with oak or slate floors, and are fitted to the highest standards with underfloor heating, gourmet kitchens, granite surfaces and luxurious slate bathrooms. Spacious vaulted living and dining areas combined with delightful bedrooms complete with Egyptian cotton bedlinen, towels and robes.

If you manage to drag yourself away from the farm you can practise your swing at several golf courses, visit the races, explore the castles, sample local ciders and wines or visit the many award-winning pubs and Michelin restaurants. Walk the daffodil way, climb the Malverns or Welsh hills, canoe, cycle, trek in the forest, browse the bookshops of Hay, or just relax – the choice is yours.
