Two miles from the Jurassic Coastline in an Area of Outstanding Natural Beauty in East Devon are three beautiful cottages, which have Gold Awards from GTBS and VisitEngland.

The cottages have been converted by the present owners to the highest standard including new fixtures, furnishing and fittings throughout, whilst retaining many features, such as exposed beams, to preserve their original character. The cottages are close to the owner's house and benefit from a large Mediterranean style heated outdoor swimming pool and patio. There is also a well-equipped games room and fitness room complete with sauna. Each cottage has its own private south facing garden with far reaching views over open country to the sea beyond. The gardens are secure for children and pets.

Explore Exeter's medieval, subterranean side through the echoing vaults and water passages of the Underground Passages, then back to the surface to explore the brilliant city Royal Albert Memorial Museum and admire the magnificent cathedral.

Enjoy the Exeter Festival of South West Food and Drink. Theatres, galleries, arts centres and cinemas all put on a packed program of events.
