Clydey Cottages is extremely child and family friendly with plenty of space to run around and play in an exciting and safe environment.

The cottages are set in 20 acres – landscaped gardens, a woodland walk, outdoor play areas, an indoor soft play and playroom for toddlers and younger children. Older children will love the trampoline, Wendy House and games room with table tennis, table football, pool table and air hockey. 2019 will see our exciting new play area installed, with climbing towers, slide, swings and adventure trail.

The daily interactive animal feeding is where children can join in to collect eggs from the chickens and help feed the pigs, goats, rabbits, guinea pigs, Shetland ponies and alpacas.

Complimentary child care is available in the children's club/creche enabling parents to have some well earned 'me time', whilst children are entertained, cared for and supervised. The Clydey Free Rangers sessions include 'woodland adventures' and 'circus school'.

Fantastic leisure facilities include the superb indoor heated swimming pool, sauna, games

room and outdoor and indoor hot tubs. Decléor spa therapies are also available in our dedicated spa treatment room.

The ten cottages are 4 miles from Cenarth, with spectacular 'Salmon Leap' falls, in an elevated position with glorious views over meadows, hills and woodland and only 10 miles inland from the sandy beaches of North Pembrokeshire. The cottages have super king beds, crisp white linen, log burning stoves, bathrooms with slipper baths and underfloor heating, wooden beams.

Delicious, luxury 'Cook' frozen meals, local produce and essentials can be purchased from the on site Clydey shop.

Clydey is where holiday memories begin, children are enthralled and adults really can relax. Come and try the Clydey experience for yourselves.
