Newton Cottages are located just 100 metres from the beach in the lovely village of Newton by the Sea, one of Northumberland's prettiest seaside villages.

The Ship Inn, listed in the Good Pub Guide, serves excellent evening meals and lovely simple fresh lunches and is a two minute walk from the cottages. They brew their own superb beer in a micro-brewery behind the pub.

Embleton Bay lies a short walk along Newton Bay to the south and beyond that is the pretty little fishing village of Craster. Beadnell Bay is round Newton Point to the north and beyond that is Seahouses and Bamburgh. Newton is a stunning location from which to explore this wonderful coastline on foot or by car.

The cottages offer 5 Star comforts in relaxing surroundings complete with all the modern facilities required for a perfect holiday. Each identical luxury cottage sleeps up to six guests or up to eighteen if rented together. We offer a special couples' price out of the main holiday period. Each cottage has a private garden with a terrace and lawn; there is garden furniture and barbecues in each cottage.

There is a master bedroom with a king-size double bed, an en suite shower room and small balcony. The second twin bedroom shares a family bathroom and a separate shower room with the third twin room, which has full size bunk beds.
