

Cae Du

Within Snowdonia National Park

Cae Du offers well-equipped, comfortable accommodation for larger groups and is excellently located.

Spoilt for choice with the variety of activities to be found, both inland and coastal. From hiking, climbing and canoeing to mountain biking, horse riding, fishing and golf. Attractions are also in abundance; numerous castles and old towns as well as mines, mills, vast sandy beaches and stunning coastlines to explore.

Cae Du stands in 14 acres of undulating grounds and woodlands bounded by the river Lleder and National Trust land in the Snowdonia National Park, near Betws-Y-Coed.

The private land it stands in is a great playground with rocks to scramble over and a still pool within the river, which is a great place to swim, or just laze on the banks.
