Are you planning to gather together children, parents and grandparents to share a precious holiday? Coulscott may be just what you are looking for.

We have various combinations of cottages for family groups depending on how many you are and how close grandparents want to be to the children!

We are near the sea and on the edge of Exmoor. Superb beaches and walks for sunny days but also places to go when the weather has an off day.

Coulscott has large grounds to explore. An enclosure with lots of exciting animals: outdoor play areas with pirate ship, Wendy house and more. Inside, a wonderful warm swimming pool and a play room. The houses are packed with books, games and toys such as dolls houses.

We are set up for the needs of younger children. We also love having nice dogs here too.

Coulscott's houses, English Heritage listed, are tucked, all alone, into a wooded valley. They are luxurious, stylish and interesting, designed for adults to relax. Our bigger houses have private hot tubs. Look on our website, if you can, at the walk through showing their every detail.

Do call or email if we can help in any way. If you come here you may be sure of a warm welcome.

Rather than just take our word for it, do read this recent online review.

"We have just spent a wonderful week staying in this beautiful place. Perfect for families, the Old Barn was just a beautiful space and the barbecue, patio area with hot tub and stunning views were gorgeous. For the kids a lovely indoor soft play, indoor heated pool, outdoor adventure play and friendly little farm area where they could get involved feeding chickens, holding guinea pigs, meeting the alpaca and wallaby to name just a few. We were just a short drive from the coast so all the usual beaches and fun days out were available to us but really the kids would have been happy to stay on site every day – it was that good!"
