**Nestled at the foot of the stunning Yorkshire Wolds are five cottages beautifully converted from old barns, stables and dairies, located in a peaceful village close to historic York.**

Once the home of the world renowned Bricknell Holstein Herd we have named our cottages after their previous inhabitants! There are wonderful stories behind such names as Ruby's Retreat, Ethel's Escape, Peach's Place, Roxy's Roost and Clover Leaf – why not come and enjoy the history?

**Ethel's Escape and Ruby's Retreat** – 5 Star Gold Award. The old barn, stable and granary have been transformed into 2 stunning cottages both sleeping 6, they can be let as one to accommodate 12 guests, dining is around a large rustic pine

table. All bedrooms have en suites, some with large free-standing baths.

**Clover Leaf Cottage** – 5 Star Gold Award. Clover Leaf Cottage is special to us, featuring reclaimed timber from the old farm buildings. Sleeps 4 in one double and one twin room, which can be made into a double with a super king bed, both rooms are en suite.

**Roxy's Roost** – 4 Star Gold Award. The lovingly restored Roxy's Roost is a favourite. Sleeps 4 in one double room and one twin, both en suite, the double room has a feature under-lit bath on a raised plinth and king-size bed.

**Peach's Place** – 4 Star Gold Award. A very special cottage, the master bedroom has a romantic four-poster king-size bed and a large sumptuous double ended bath. Sleeps 4 in one double and one twin room both en suite.
