Knowle Farm is idyllically set in 44 acres of beautiful Devon countryside with its very own woodland and riverside walks where you can truly relax and unwind.

With numerous animals and fantastic facilities it is also a paradise for little children – open your cottage door and the chickens, ducks, turkeys and peacock will be waiting to be fed. Let your children meet a sheep, feed a pig, stroke a donkey and hear a cockerel crow. The little ones will love our purpose built indoor toddler soft play area and heated swimming pool. Personal swimming lessons by a qualified teacher are available. Our walk-in rabbit area and surrounding toddler race track are also incredibly popular.

You won't even have to prepare your own meals – we sell a great choice of locally produced ready meals, drinks and ice creams.

Local attractions include steam trains, boat trips and an absolute multitude of fun things to do with the children. Fantastic sandy beaches are just 30 minutes away and Dartmoor National Park is right on our doorstep. There is an excellent 11th century local village pub that is child friendly – the perfect place for an evening out.

Our six individual cottages overlook lovely views and all include: woodburners; freesat HDTV (CBeebies); DVD; WiFi and just about everything you could need, including cots, highchairs and booster seats. Also, to save you packing them, we have baby baths, microwave sterilisers, bed-guards and booster seats available.
