### Goodies Farmhouse is gorgeous!

Full of warmth and character, this fabulous 17th century historic farmhouse has a large private garden and is surrounded by mountain scenery. With ancient oak beams and oak floors, the beautiful interior is luxuriously furnished with lovely objets d'art from Italy and France and exudes a feeling of luxurious comfort. The surroundings are glorious; a wooded valley, rushing river and high fells provide wonderful walks straight from the door, or for total relaxation, the amazing scenery can be enjoyed from the blissfully comfortable sofas in the beautiful conservatory.
