In this small paradise, we can guarantee a comfortable and relaxing holiday in a tranquil setting where you can unwind and relax, far away from the stresses of modern life.

Nestled at the foot of the Cheviot Hills near Alnwick, on the edge of Northumberland National Park but still within easy reach of Northumberland's Heritage Coast, our self-catering holiday cottages are surrounded by stunning rugged beauty, perfect tranquillity and breathtaking views. You'll find some of the best walking country in England literally on your doorstep.

Our holiday cottages ...

Hemmel House (sleeps 8) and **Miller's Hill** (sleeps 6) occupy a peaceful hillside location with stunning views west to the Cheviot Hills. They share a large garden courtyard, mini tractors and a tree house for children to play in. Both cottages are delightfully furnished and promise to offer you a self-catering holiday of absolute luxury and tranquillity. Each cottage has its own outdoor cedarwood hot tub.

All of our other cottages are situated in the beautiful farming hamlet of Branton. Every cottage is sumptuously furnished with elegant country interiors, a woodburning stove and all the latest mod cons. Perfect for families and couples, our exquisite holiday accommodation offers exceptional comfort and space in the UK's most beautiful county.

Leisure facilities ...

We have a superb range of leisure and sports facilities to suit all ages. Enjoy a swim in our fully heated indoor pool, tone up in the spacious, fully equipped gym or relax in the sauna, steam room and hot tub.

Outside you can play tennis, croquet, have a round on the putting course or just relax in our private garden area. For youngsters with energy still to burn, there's an adventure playground, a football pitch and a games room complete with pool table, table tennis, table football and air hockey table.

All 14 cottages obtained VisitEngland Gold Awards in 2018.
