Dove House

At the end of a stunning mile long tree lined drive these converted barns and their idyllic location never cease to amaze. Total escape from the pressures of everyday life.

Here you can enjoy being surrounded by beautiful countryside, woodland and wildlife throughout the seasons. Guests can walk/cycle from the door or absorb it all from the large secure gardens. There is access to 1,000 acres of working farmland and the linking network of footpaths.

The local area offers a wealth of attractions for all, which even our many repeat guests never seem to tire of. The glorious Jurassic Coast with its walks/fossiling/sea fishing and lovely beaches is nearby along with an excellent selection of pubs/restaurants, National Trust properties and adult/family activities.
