**Close to spectacular Flamborough Head and the delightful Yorkshire Wolds, our cottages offer exceptional accommodation of great charm and character and enjoy a working farm setting.**

Converted from Victorian farm buildings around a courtyard, the cottages are individually designed and retain many original features.

**The Turnip House** and **The Roost** offer superb ground floor accommodation, whilst **The Garden Cottage**, **The Byre** and **Ostler's Corner** all have living/bedroom/bathroom facilities at ground floor level. All cottages feature luxury kitchens and bath/shower rooms and quality furnishings. Re-opened 2018/19 the splendid, completely refashioned, **Garden Cottage**.

Our guests enjoy seeing Harry, the bull, his cows and their calves, our chickens, plus lambs in our paddocks during the spring. You are welcome to walk our fields and spot the

wildlife – hare, deer, owls, skylarks. Photographic opportunities abound.

This Yorkshire Heritage Coast enjoys wonderful sandy beaches, rock pools, caves and coves. Visit the nationally acclaimed RSPB Bempton Reserve, the mainland nesting site to puffins, gannets and impressive colonies of seabirds is 2 miles away. The wider area has a wealth of historic houses, gardens, abbeys and castles to visit, such as Castle Howard, Burton Agnes Hall, Sledmere, Rievaulx, Scarborough Castle, Scampston and Helmsley. A trip aboard The North Yorkshire Moors' famous railway, steaming along its lovely tracks is always popular. Walk, cycle, take a leisurely drive around the undiscovered Yorkshire Wolds, through rolling farmland, market towns and pretty villages.
