Close to spectacular Flamborough Head and the delightful Yorkshire Wolds, our cottages offer exceptional accommodation of great charm and character and enjoy a delightful courtyard setting.

Converted from Victorian farm buildings, the cottages are individually designed and retain many original features. **The Turnip House** and **The Roost** offer superb ground floor accommodation, whilst **The Byre** and **Ostler's Corner** have at least one bedroom/bathroom at ground floor level. All bathrooms and kitchens feature newly installed luxury fittings.

Our small cattle herd featuring Harry, the bull, his cows and their calves, our chickens, plus lambs in our paddocks in the spring are all popular with visitors.

This Yorkshire Heritage Coast enjoys wonderful sandy beaches, rock pools, caves and coves. The nationally acclaimed RSPB Bempton Reserve,

mainland nesting site to puffins, gannets and impressive colonies of seabirds is 2 miles away. The wider area has a wealth of historic houses, gardens, abbeys and castles to visit, such as Castle Howard, Burton Agnes Hall, Sledmere, Rievaulx, Scarborough Castle, Scampston and Helmsley. A trip aboard The North Yorkshire Moors' famous railway, steaming along its lovely tracks is always popular. Walk, cycle, take a leisurely drive around the undiscovered Yorkshire Wolds, through rolling farmland, market towns and pretty villages. Historic York, Beverley, Whitby and Hull, each merit a day's excursion.

Guests are welcome to walk around our land and spot the wildlife. We are home to hare, deer, owls and skylark – a wildlife rich environment. Photographic opportunities are plentiful. You may wish to wind down and relax, play croquet or boules, or simply enjoy the peace.
