Close to spectacular Flamborough Head and the unspoilt Yorkshire Wolds, our cottages offer exceptional accommodation of great charm and character and enjoy a delightful courtyard setting.

Converted from Victorian farm buildings, the cottages are individually designed and retain many original features. **The Turnip House** and **The Roost** offer superb ground floor accommodation, whilst **The Byre** and **Ostler's Corner** also have at least one bedroom/ bathroom at ground floor level.

We retain a small herd of cows, our bull, Harry, calves and chickens, with lambs in our paddocks in the spring. Locally, this part of the Yorkshire Coast enjoys wonderful sandy beaches leading to rock pools, caves and coves. The nationally acclaimed RSPB Bempton Reserve, mainland nesting site to puffins, gannets and impressive

colonies of seabirds is two miles away. The wider area has a wealth of historic houses, gardens, abbeys and castles to visit, such as Castle Howard, Burton Agnes Hall, Sledmere House, Rievaulx, Scarborough Castle, Byland Abbey, Scampston and Helmsley. A trip aboard The North Yorkshire Moors' famous railway, steaming along its lovely tracks is always popular. Walk, cycle or take a leisurely drive around the undiscovered Yorkshire Wolds through gently rolling farmland, market towns and pretty villages. Historic York, Beverley, Whitby and Hull all provide at least a full day's excursion. Guests are welcome to walk around our land and spot the wildlife. We are home to hare, deer, owls and skylark – a wildlife rich environment. Photographic opportunities are plentiful, or you may just wish to wind down and relax, in peace and complete comfort.
