Relax and recharge ...

A real treat from start to finish ... My little piece of heaven on earth ... Never stayed anywhere else where we have felt this looked after ...

Everything taken care of ...

Great to have walks, animals and beautiful scenery on the doorstep ... Every single little thing has been thought of ... You go above and beyond in almost everything ...

If the children are happy ...

Toddler and baby facilities excellent, as was feeding the animals ... My granddaughter cried when she left

as she wanted to stay 'forever' (so did I) ... Really appreciated your friendliness and willingness to involve the children which made it magical for Grace ... The Long Room is amazing ...

Dogs invited ...

Everything was so carefully thought about for the dog and the baby ... The dogs were very impressed ... Superbly equipped for both humans and doggie guests ...

Nourishment ...

Home-made bread was absolutely lovely ... Breakfast basket was delicious ... Home-made food was beautiful and so welcoming after a day in the snow walking ...

Come back again and again ...

Your attention to detail, friendliness and little extras set you apart from everyone else and that's why we keep coming back ... 'Can we move in?!'
