Dogs need a holiday too!

Relax and indulge yourself in this beautiful part of Shropshire by staying in one of our three Gold Award cottages with indoor pool and spa facilities.

With understated luxury, each cottage – **The Granary, Courtyard** and **Stable** – provides the perfect haven, regardless of weather or time of year, for an intimate short break or a full-scale family holiday with the flexibility of arriving and leaving on any day of your choice. The neighbouring family owners, Rachel and Gerry, are confident that pretty much all needs are catered for, whether you're bringing the dog (a doggy hamper is provided, warm outdoor taps for washing dirty paws and enclosed grassed dog paddock), need to catch up with some business (all cottages have secure, superfast fibre broadband) or simply want to relax with a slice of the home-made

'welcome' cake before you dip your toe in the pool.

The new pool and spa facilities are just a few steps away from the cottages, open 8am-8pm daily. The spa includes a constant depth 12 metre indoor heated swimming pool (heated to 30 degrees), poolside loungers, hot tub, steam room, sauna, gym and treatment room, just perfect to ensure your escape to the country is a truly refreshing break.

Surrounded by 500 acres of arable farmland, you're welcome to explore the fields. Then head to the dog-friendly village pub (walking distance) for a relaxing meal or into Shrewsbury, with its vibrant mix of cafés, restaurants and independent shops.

'Outstanding, peaceful spa facilities for the number of properties; we will certainly return.'
