**Luxury cottages in an idyllic setting with stunning views and superb leisure facilities. All 15 cottages VisitEngland Gold Award – 2018.**

Beacon Hill, a 350 acre estate, sits near the magnificent Northumbrian coastline and National Park. Druridge Bay, with its 7 miles of empty golden sands, lies within sight, 8 miles to the east.

This is a beautiful estate, with ancient beech woods, parkland and great views; it is an ideal place for those that enjoy peace and tranquillity or the walker or naturalist.

The luxury holiday cottages are situated in 15 acres of landscaped gardens bordering the beech wood, in the middle of the estate. The views across the fields to the coast and hills are magnificent; Northumberland is still a very unspoilt and quiet county with empty lanes and fabulous hedgerows. Morpeth and Alnwick are convenient to visit or shop.

**The cottages ...** are warm and welcoming, with masses of books and quality pictures and prints. All have oil heating; all have washer/dryers, dishwashers and deep freezers. All have electric ovens, microwave, TV, radio, DVD, iPod docks, WiFi and Sky sports. All except Wood Cottage have open fires.

Electricity, fuel, logs, heating, linen and towels are included in the rent as are as many cots and highchairs that are required. Heating is available 24/7 throughout the year.

On arrival you will be greeted with a welcome drink, home-made cake, milk, tea, coffee and biscuits, and a vase of fresh flowers.

**Beacon Hill Spa**  
We have a wonderful spa, open until 9pm daily. This is an exceptional facility with a sauna, steam room, a Laconium, a Jacuzzi, an orangery and sun terrace with stunning views to the south and west.

**There is also ...** a tennis court, a games room, an adventure play ground, a cricket net, a football pitch, a Harry Potter woodland trail, a woodland "sausage sizzle" camp and if fly fishing is your bent ... we have a beautifully located 2 acre trout lake.
