A collection of five award-winning holiday cottages and four new log cabins. Set in the Welsh countryside on the banks of the River Dee each with private hot tubs.

Our location means that we have access to some great places and attractions in North Wales. Snowdonia National Park has many walks, and for the adventurous, a zip wire just under a mile long that has you exceeding speeds of 100mph. Locally there are many mountain biking trails, rivers for white water rafting, walks, waterfalls, and not too far away numerous beaches and lots of Welsh castles. If you'd rather just relax then you can take a seat in your private hot tub and enjoy the views of the meandering River Dee and the undulating Berwyn mountain range.

Each Rivercatcher cottage and log cabin has its own private secure garden with private hot tub and shares the extensive surrounding gardens and riverside walks of its small estate. Our games room 'The Lodge' is accessible for all guests and can be used for large groups for dinners and other celebrations.

You're never far away from good food at Rivercatcher, with a Michelin star restaurant in the village less than half a miles walk away, as well as good local pubs and a fantastic organic farm shop with restaurant.

For the keen cyclist we have a lock-up facility for your bikes, a place to clean them, and local route and trail information.

Customer reviews:
'Thoroughly enjoyed our stay, well equipped and fabulous countryside views. The location is beautiful and peaceful with lots to explore in the region and very little traffic on the roads making cycling and walking a pleasure. Highly recommend.'

'The whole family enjoyed our week at Rivercatcher. The location was idyllic and we laughed so much at the antics of the newborn lambs in the adjoining fields. We couldn't think of anything that would improve it! Evenings watching the snow on the hills and the river rushing past from the comfort of the hot tub, then drying out around the log burner ... Perfect.'
