

## The Guggle

Quirky historic cottage in central Cotswolds

Guggle garden

**Not a modern house in sight! Just a clutch of pretty cottages, a medieval village square and church – a Cotswolds bubble of peace.**

The Guggle is quirky; there's a classic cottage beamed sitting room with an inglenook fireplace, games, books and sofas to relax on ... it's a homely space. The hub is a light airy kitchen where you pull up a pew at an eight seater table; and look out to the west facing enclosed garden, perfect for al fresco meals and run around space for the kids.

There are four pretty bedrooms with two en suites and shared bathroom. You can stroll to the pubs and shops in the village, cycle along the Cotswold lanes, walk along beautiful pathways or drive to numerous National Trust houses and gardens.
