

Monks Mill Barn

A beautiful, 5 Star, Cotswold barn conversion

The barn from below

Monks Mill Barn is a beautiful, 5 Star, Cotswold stone barn conversion in the heart of the southern Cotswolds, which takes four guests in sumptuous luxury.

The recently converted barn consists of two large double bedrooms with en suites on the first floor. The wooden landing and staircase in the double height hallway lead down into the open plan living space with ample seating and dining space for guests. Guests will benefit from a good quality smart TV, an extensive library of books or the stunning views a double height window provides.

The kitchen and utility area is modern and well equipped, but doesn't compromise the rural feel of the barn. Guests may also use a gas barbecue and outdoor furniture on the patio to soak in the Cotswolds beauty.
