Little Fox Cottage is perfect for guests looking for luxury. This detached 200 year old cottage has been creatively renovated to the highest standard with guests' every comfort in mind.

Step into the welcoming hall with its easy seating where you can cwtch around the double-sided woodburning stove or alternatively relax on the large leather sofas in the lounge/diner. Stairs lead up to the wonderful bedrooms above, two with super king-size beds, and all have the highest quality linen and beautifully finished en suites. The spacious, contemporary, fitted kitchen is well equipped for preparing meals while the bi-fold doors open across the width of the house to the stunning split-level outdoor entertainment area with warm, red cedar decking and paving, the surrounding high walls ensure privacy, but the highlight has to be the sunken swim spa heated to 40 degrees. It is perfect on even the coldest evening. With its bluetooth music system, mood lighting and parasol, imagine whiling away the evening relaxing in the spa with the stars overhead, or turn on the current for the more energetic to swim against while you prepare appetising meals al fresco on the built-in barbecue and pizza oven.

Set in the coastal village of Herbrandston, there is a village pub and post office/shop within walking distance, while the Pembrokeshire Coast Path is a mile away. It is perfect for exploring the stunning Pembrokeshire coastline with Sandy Haven the closest of the 58 beaches to choose from.
