Located in the heart of the Cotswolds near Chipping Norton, Bruern Cottages offers the luxury and comfort you would expect from a 5 Star hotel.

These twelve self-catering properties offer a mix of home comforts, luxury and quintessential English decor. There is a children's paradise which includes an adventure playground, Wendy house, play cabin and play area. A games room, with pool table, table tennis and table football, and an indoor heated pool.

Our largest property **Weir House** is set within its own gardens. It has five en suite bedrooms, a large open plan kitchen, an elegant drawing room and a games room, making this the ideal place for a large family gathering.

Newmarket is situated in the main courtyard and has four en suite bedrooms. The open plan kitchen/drawing room is a bright and welcoming space to enjoy with friends and family. French windows lead onto a private terrace with a barbecue.

Aintree, Bookers and Shipton all sleep up to six guests. Aintree is located in the main courtyard and has a master bedroom boasting a king-size four-poster bed. Bookers is set within its own garden and has a shared children's play area with Shipton. Shipton is a ground floor cottage and allows dogs.

Epsom and Goodwood are located in the main courtyard and are a mirror image of each other. They sleep up to five guests in a double room (en suite), a twin and a single room. Both have their own private garden and allow dogs.

Cheltenham, Sandown and Wychwood are also in the courtyard and sleep up to four guests. As Cheltenham is located above Sandown, it does not have a garden, but it still boasts its own summerhouse and barbecue at the back of the grounds.

Cope has just one bedroom but is by no means small. The high ceilings give it a spacious feel, and the reception room can host up to thirty guests for dinner.

Saratoga is the smallest cottage at Bruern with a cosy, romantic feel. It is ideal for a weekend whether it's your first honeymoon or your thirtieth.
