Asheton Eco Barns are five luxury cottages in the heart of unspoilt Pembrokeshire that offer family-friendly holidays with a sustainable twist.

Choose from five spacious eco barns, sleeping a maximum of between 4 and 7, perfect for couples and up to large extended family groups. Each blends the traditional and modern – including many eco features – so you'll find swish bathrooms and state of the art renewable energy alongside oak beams and exposed stonework.

And these 5 Star Pembrokeshire holiday cottages come with every luxury you'd expect – from eco toiletries and MP3 players to antique furniture and comfy beds with crisp cotton sheets ... not forgetting the deep sofas for relaxing evenings in front of the fire.

The kitchen/diners are fully equipped and every eco barn has its own landscaped area for barbecues, al fresco dining, or just relaxing with a glass of wine.

The barns are located down our own private driveway offering tranquillity and a real break from the world but you can be on the beach within 5 minutes at the astounding Blue Flag beach at Newgale.

All ages of children are catered for in our playground from small swings/slides to a pirate ship, tree house and zip wire.

Karen is happily fanatical about sustainability, and will fill a welcome hamper with local delights. And there's loads to do: pack a pannier and head off on the Celtic Cycle Trail, explore arty St David's, surf or go for a hack on Nolton Haven's beaches – you might even spot a whale or two.
