This 500 year old thatched farmhouse and cluster of stone, thatched barns around a cobbled courtyard is quintessential Devon. Perfect retreat for families/couples set in immaculate gardens with stunning views.

Each cottage is individually furnished, very well equipped and maintained to a high standard. From the chic, boutique-style Swallows Loft, to the traditional Devon longhouse, the accommodation combines the rustic charm of beams and woodburners with luxury touches. Cleanliness is a top priority. Easily accessible and situated 3 miles from the market town of Honiton, 30 minutes from the Jurassic Coast, Exeter and Taunton, there is so much to do close by for all ages, from adventure parks to National Trust houses. Fabulous countryside is on the doorstep along with a whole host of easily accessible local activities.

Animals: Children can join in with our interactive animal feeding three days per week. They can also watch the cows and horses next door and see sheep, alpacas and peacocks in neighbouring fields.

Gardens: The immaculate gardens are a joy to laze around in, with hardwood furniture and barbecues. The garden has quiet areas and play areas with croquet, putting, swings, slides, play houses, garden games, trampoline, wooden play forts and a host of ride on toys. For the adults we have a sauna and barbecue hut.

Large indoor pool: 35ft long swimming pool, heated to 32 degrees and open all year.

Indoor play room and outdoor games barn: Pool table, table tennis and football, a ball pool and an abundance of toys ideal for small children.

Always relaxing – never dull!
