Two luxurious, beautifully restored 18th century cottages, each with its own private hot tub nestling in the sleepy village of Kirk Ireton, in the heart of the Derbyshire Dales.

The idyllic **Heather Cottage** and **Honeysuckle Cottage**, surrounded by glorious countryside, and finished to a stunningly high standard, are two hidden gems awaiting discovery! Each rests in its own completely separate, private garden, wherein you will find your exclusive Canadian Spa hot tub bubbling away in anticipation of your arrival.

An array of lovely treats await, from wine, chocolates, home-made bread and cakes to luxurious bathrobes and indulgent toiletries … not to mention a delicious farmhouse breakfast for those who care to make the short trip to Dannah Farm (all included of course!).

Each stunning, romantic cottage is exclusively for two adults, taking self-catering to new heights. With the Peak District National Park on the doorstep, explore the countryside and discover all that this wonderful area has to offer, or simply relax beneath the stars in your own private Canadian Spa hot tub. Sneak a peak at our website to see these luxurious and intimate retreats in detail.

And the last word!

Honeysuckle – *'Our fourth visit to this beautiful cottage – fantastic as always! This is our 'go to' place to relax, recharge and reconnect when we get time away from our busy lives. Thank You.'* Guy and Sharon.
