**Set in fabulous countryside in the heart of one of Northumberland's prettiest villages, this highly praised, centrally heated cottage, a cock-stride from the Tankerville Arms, is perfect for two.**

Accredited '5 Star Gold', Mill Cottage comprises surprisingly spacious accommodation presented to the highest standards – an elegant living room with log burner and Sky TV; a fabulous kitchen with range cooker and induction hob; and a delightful bedroom with king-size bed, luxurious linen and an en suite bathroom. Two secluded, al fresco, dining areas; lovely, well tended gardens; and a riverside walk along the Eglingham Burn complete the picture.

Midway between Alnwick, with its gardens and castle (not to mention the renowned 'Barter Books'), and Wooler, the gateway to the Cheviots, Eglingham offers spectacular scenery

without the need to drive. The adjacent Tankerville Arms is a true 'local pub' offering good pub food.

Nearby are Northumberland's unparalleled landscapes and beaches, the UK's finest castles, numerous open gardens and superb golf and other country pursuits. The surrounding villages also offer a good selection of pubs and restaurants.

This year's improvements to Mill Cottage include a new croquet lawn, further improvements to the dean and riverside walk, including an elevated, water-side seating platform, perfect for those early evening gin and tonics after a hard day's walking or sightseeing! Our expanding guest book now contains a helpful list of things to do and places to visit, as recommended by our discerning visitors – their unexpurgated comments can be read on our website.
