Shepherd's hut heaven at Beacon Hill

Hideaway heaven with a view!

**Our luxurious shepherd's huts are a perfect haven for two adults of any age!**

Beautifully located in a south facing wildflower meadow, our Hideaways are built to house building standards – unlike most shepherd's huts!

The 360 acre estates is teeming with wildlife ... the walks in the 40 acre semi-ancient beech woods or to Meg's Lake are magical.

The Hideaways are 32 feet long and have three rooms and a westerly facing terrace. It's a short walk on a woodchip path to the Spa – you can even walk there in your slippers! The Hideaways have mains drainage and electricity – there is WiFi.

The bedroom has a luxurious 5 foot double bed and a Smart TV; from your bed you can look through a large window towards the beech wood and the sea – which is eight miles away. The adjoining bathroom has a shower, loo and basin.

The living area has a combined microwave/oven, a halogen hob, a fridge and Belfast sink and masses of utensils. There is a Bose Bluetooth speaker and a digital radio.

Heating and hot water are provided by a combi boiler and radiators and there is also a log burning stove – everything is provided in the cost.
