A magical hideaway tucked away in the woodland overlooking the fields towards the Malvern Hills. Inspired by the past, living in the present with all creature comforts and more ...

This lovingly hand-crafted shepherd's hut includes a very comfortable king-size bed, underfloor heating, an en suite shower and WC, fully fitted oak kitchen with full size cooker and fridge with freezer compartment. The Aga woodburner keeps you warm and toasty in the winter months and the excellent insulation plus double glazing keeps you warm in winter and cool in summer. Snuggle up with a book, watch TV, listen to the Roberts radio or surf the high speed internet. Venture outside for stargazing and toasting marshmallows on the fire pit or relax and de-stress in the private bubbling

hot tub with just the company of the horses grazing in the field next door, the hoot of the owls and the bats flying about in the night sky.

We aim to provide almost everything you should need for your stay in **Hop Pickers Hideaway**. Luxury linen, fluffy towels and bathrobes, a welcome basket and some supplies of tea, coffee, milk and store cupboard items such as salt, pepper, herbs and oil. There will be kindling, logs and firelighters for the log burner and fire pit with a cooking skillet and marshmallow fork.

The hut is designed to be spacious with room for a travel cot and double French doors open on to a fabulous decking balcony where you can relax and soak up the peacefulness of the beautiful Worcestershire countryside.
