Charles Rennie Mackintosh kitchen

Nestled in a peaceful corner of the old orchard, surrounded by extensive lawns, lies Hop Pickers luxury log cabin with private hot tub on the verandah overlooking the Teme valley.

Separate from the main farmhouse on the spacious back lawn, there is plenty of room to run around and enjoy outdoor games, or sip a glass of champagne in the bubbling hot tub on the verandah watching the sun set over the picturesque Worcestershire countryside. Between the Malvern Hills and Worcester, just 10 minutes from the M5, it is in an excellent central location within two hours of London.

Perfect for couples, family holidays, celebration parties or lazy weekends to relax and unwind. The new hot tub and log burner add to the relaxing holiday experience and romance of the cabin. Mobile spa

treatments available. Suitable for limited mobility with all rooms on one level.

Books, games and plenty of maps, guides and local information full of all the nearby attractions are available. Visit Malvern and Worcester theatres, National Trust, cathedrals or enjoy stunning walks from the doorstep, go-karting, horse riding, fishing, and golf to name some of the outdoor local activities nearby.

The Cabin sleeps 4 in 1 king-size and 1 twin bedroom, which are zip'n'link to make a super king on request. Open plan lounge/diner and well-equipped kitchen, shower room and WC. Double French doors open out on to the classic rattan garden furniture plus gas barbecue, a perfect spot for stargazing and listening to the resident owls of Brockamin.
