Gladwins Farm is a selection of ten bespoke eco, pet and child-friendly cottages set in the Suffolk countryside, with an indoor swimming pool, tennis court and unrivalled access to nature.

During your stay you'll have access to a variety of fun activities and well equipped facilities, such as an indoor pool, hot tub and steam room, an outdoor play area and tennis court, a lake and animals, including pigs, goats, chickens, horses and sheep.

Our ten cottages range in size from sleeps 2 to sleeps 16, so perfect for a family break away or a large get together with friends. Many have en suite bathrooms and hot tubs, king-size beds and log burning fires.

At Gladwins Farm we believe that tourism and environmental sustainability should go hand in hand.

You'll find this ethos in everything we do, from the way our holiday cottages have been designed and built, with our solar panels and biomass boiler, through to the smaller details such as providing you with Fairtrade tea and coffee for your stay, and the use of energy efficient lighting.

There is plenty to see and do away from Gladwins Farm too. Situated in Nayland, we are a short drive from local amenities and entertainment. 15 minutes away is Colchester, home to the famous zoo which has over 260 species, as well as Colchester Castle, where you can walk through 2,000 years of some of the most important events in history. We are not far away from the coast either, with Mersea Island and Frinton easily accessible.
