The study with patio doors

Contemporary luxury, spacious and in a quiet location. Just minutes from Milford village and the beach, whilst the New Forest National Park is just a short drive away.

The ground floor is dominated by a large open plan kitchen, bar, dining and living area which leads out through bi-fold patio doors to the south facing terrace and enclosed garden (mainly laid out lawn) – great for al fresco meals. Also downstairs is a spacious study/playroom, a fully equipped utility room and a cloakroom with shower.

Both bedrooms are large, can accommodate two cots and have king-size doubles which can be split into two comfortable singles if required. Both are en suite. The master bedroom faces south and has views across to the Isle of Wight.

Milford on Sea is a traditional village set round a village green. The village has a good range of shops and has recently become a 'foodie' destination with 7 restaurants, 3 pubs, a wine bar, a real ale bar and an excellent traditional fish and chip shop – all within an easy walk of Mulberry Barn.

Foremost amongst the restaurants is Verveine – an innovative, award-winning fish restaurant. Next up is La Perle where head chef/patron Sam works his magic in the kitchen. Other restaurants' cuisines include Italian, Greek, Indian and Thai.

Close by is Hurst Castle, Paultons Park (home to Peppa Pig World), Beaulieu Motor Museum, Exbury Gardens, Eling Tide Mill plus great coastal and forest walks. Local maps, books, suggested walks and information leaflets are available in the house.
