'The perfect choice for a large family get together or special occasion'

Llanlliana House

The Rose Suite

Anglesey Coastal Path

Set in 168 acres of private estate on the north coast of Anglesey, this luxurious country house is the perfect retreat for a relaxing escape with family and friends.

'It is breathtaking ... the house, the surrounding countryside, the bay ... everything is absolutely amazing.'

With 10 individually finished rooms including seven en suites and two further bathrooms, Llanlliana accommodates up to 20 guests.

'The debates over who gets the best room are irrelevant because every room is stunning.'

Perfect for entertaining, with an oak banqueting table and bar facility, the dining room is a fantastic space to host milestone anniversaries or celebrate special birthdays. *'We also booked in-house catering; so lovely to have someone come in and wait on you hand and foot.'*

'The kitchen is well stocked with everything you need for large groups.' Socialise and entertain in the snug and comfy lounge or head to the games room for pool or table football.

With panoramic views, the super-size hot tub offers hours of fun for kids year-round, or adults perhaps just pop a bottle of fizz and night-time stargaze!

For little ones a sandpit, play area, secret slide and ride-on tractors, for bigger kids; giant Jenga, rounders and croquet. *'We enjoyed the awesome slate patio area, perfect for taking in the spectacular views.'*

Locally, the picturesque village of Cemaes Bay provides amenities and sandy beaches perfect for sandcastles, rock-pooling and crabbing off the harbour wall.

'The owners could not do enough for us and managed to be fantastically helpful without being intrusive in the slightest.'
