Mirefoot Cottages is tucked away in a secluded corner of the Lake District National Park, offering an ideal base from which to explore the Lakes or to simply unwind.

The five cottages and spa are set in two acres of peaceful gardens. There is abundant birdlife and plenty of activities, with stunning walks and cycle rides straight from the door. We are 15 minutes' drive from the M6 – Windermere is less than 15 minutes in one direction and Kendal 10 minutes in the other.

The interior-designed cottages have been recently built with style and comfort in mind, and each of the five cottages has its own unique appeal. All cottages are fully equipped with bespoke kitchens and each bedroom has an en suite bathroom. All cottages have fast

broadband and widescreen smart TVs in the lounge and each bedroom. Every cottage has a woodburning stove or contemporary gas fire, and private patio with barbecue area.

Exclusively for the use of guests, the leisure building houses full changing facilities, a 16 metre pool, a well-equipped and air conditioned gym, a sauna and a Jacuzzi; all the facilities of a five star hotel shared between a small number of guests, allowing you to find space to enjoy the pool just by yourselves.

A stay at Mirefoot Cottages is ideal for people who enjoy being active outdoors and want to return to luxury, comfort and tranquillity. Equally there is the space and facilities for guests who need to completely wind down, relax and escape from the pressures of modern living.
