Teal House landscape

Teal House's hunting lodge style, with a part stone and part cedar clad façade, will entice goosebumps from the moment you arrive.

With soaring Cheviot views that make your heart sing, Northumberland has a wild beauty all of its own. The property is set in the landscape of a picturesque walled garden that leads to wildflower meadows, a meandering burn and the open fells beyond. The light and airy open plan living and kitchen area opens out onto a safari style decked terrace on one side and a private natural stone walled garden on the other. At the heart of the sitting room, is a roaring woodburning fire, perfect for curling up to with a glass of wine.

Each of the four dreamy bedrooms have been individually designed and include modern en suites with

heated floors, crisp white linen and all but one feature private sunbathing terraces. The cook's kitchen is well equipped, with two ovens, an induction hob, microwave, Quooker hot tap, dishwasher, large fridge, freezer, coffee machine, wine chiller, washing machine and tumble dryer.

The exterior is perfect for balmy summer days spent with a good book in hand, toes dangled in the cool, trickling stream with a melody of birdsong creating the soundtrack to the perfect afternoon. Nature lovers will be enraptured by the abundance of wildlife on the doorstep; from red squirrel, tawny owls and roe deer on land to soaring eagles above.

Rich in beauty and heritage, enjoy fishing trips, coastal walks or a round of golf at one of the local championship courses.
