**Situated in beautiful countryside and stunning woodland, just a 20 minute drive from the breathtaking Pembrokeshire coastline, Scolton Country Cottages is steeped in history and character.**

The cottages, originally old farm buildings, surround a large, traditional courtyard and have been lovingly converted to retain original characteristics and provide comfortable and well-equipped accommodation.

We have an indoor swimming pool, sauna, and steam room, and the pool house patio is the perfect place to enjoy a barbecue and watch the sunset. Picnic tables are dotted throughout the grounds to provide somewhere to read, relax and enjoy al fresco dining – Pembrokeshire style.

The children's play area overlooks the stables, where our pony and goats live, while a large fenced pond is home to ducks and moorhens,

which are happy to greet visitors who come bearing bread.

All cottages have direct access to the courtyard, except Dairy, which has its own patio and lawn. Each cottage has its own picnic table and there is a large communal utility room with laundry facilities and tourist information. You'll also find a bike store with spare wellies, buckets, spades and windbreaks for your trips to the beach. Cots, highchairs, stair gates and bedguards are also available.

New for 2018 – Scolton Country Spa! Our new on site spa offers a range of treatments – from manicures and pedicures to facials and massages – and also includes a cedar hot tub, spa garden, relaxation lounge and salt cabin.

As per the Premier Promise we are happy to go the extra mile for our guests!
