Featured in The Guardian’s ‘Top 10 Farm Stays’, we provide a unique farm stay experience for children and adults alike, where lasting memories are made to cherish forever.

Located in an Area of Outstanding Natural Beauty, just outside Padstow, Trevorrick is in a stunning rural location. Just a 10 minute drive to beautiful sandy beaches, and on a network of footpaths with easy access to the Saints Way, Camel Trail, Padstow or the South West Coast Path, there are plenty of options which don’t require a car. Within a mile or two, there is fine dining at a number of excellent pubs and restaurants, before even considering the plethora of those in nearby Padstow or Wadebridge.

On site facilities:

We not only like to think of Trevorrick as a children’s paradise, but it is great for adults too, especially out of season. We have romantic cottages for couples just looking for a quiet relaxing break. For young families we have a wealth of baby and toddler equipment to make your holiday easy and stress-free. Children make friends during our interactive animal feeding and handling experience. We have guinea pigs, Kunekune pigs, lambs and sheep, chicks, hens, ducklings and ducks, not to mention a small herd of Dexter cattle. Just watch the confidence in your loved ones grow during your stay. We provide an accessible mini farm experience which is enjoyed by all. Of course, there is more to Trevorrick than our unique animal experience. Click on our website to see just how much more there is to do.
