Single storey barn with unspoilt views

Barn exterior

Living room

Hareley Barn is a restored Grade II listed barn, situated on an historic rare breeds farm. It has panoramic views over an unspoilt rural landscape of woods, streams and pasture.

The farm is a haven for wildlife, where we rear rare breed sheep, pigs and poultry. Hareley Barn is spacious and comfortable, with a king-size bedroom and en suite bathroom which has one small step (apart from this access is level throughout), twin bedroom and separate bathroom with splash shower and spa bath, a separate kitchen and a laundry room. There is full central heating and a woodburning stove. A children's play area is open in summer.

Lots to see and do in the area, including three National Trust properties, half-timbered villages and good inns and restaurants.
